

Dear Patron,

The 2023 “School Days” is upon us! This event, held at the Living History Village located on Frost Parkway, provides a valuable learning experience, and creates fantastic memories for all involved. To celebrate this experience, we are excited to plan our Annual “School Days” on September 15, 2023. This tradition of “School Days” allows our 450+ Seneca County 4th Grade students to learn about the history and way of life of our ancestors right here in Seneca County, all while interacting with re-enactors and participating in actual games and activities from the 19th century. **To continue this tradition, community support is greatly needed. As a 501c3 non-profit organization, Ohio Heritage Village and School Days relies on the continued and generous support of your organization.** Your generous support of youth in our community assists in allowing the 4th Graders of Seneca County to participate in, observe and enjoy:

- Old Time Cricket
- Basket/Net Weaving
- Blacksmithing and Gunsmithing
- Native American Storytelling
- Toy and Craft Making
- Mining and Precious Stone Sluicing
- Military Re-enactments
- Homemade Kettle Corn, Ice Cream and Root Beer
- Just to Name a Few!!

Again, thank you for your consideration and generous support of the 2023 “School Days!” Your support is instrumental in the education of our youth, while creating long-term positive memories for all involved!
