Thanks to your generous contributions, our 2024 festival was a tremendous success. This year, your support remains vital in ensuring the festival's continued growth and legacy for years to come. As a valued patron, we are deeply grateful for your past financial backing and look forward to your continued partnership.

We are thrilled to announce exciting improvements to enhance the festival experience:

- **Downtown Enhancements:** Enjoy more activities with family and friends while savoring your favorite foods.
- **All-Day Music:** Experience live performances all weekend long at the East Green Amphitheater sure to satisfy many different musical tastes.
- **New Attractions:** Explore a refreshed lineup of craft vendors, expanded activities at the German Village, a car show, and the Kids Korner with fun-filled activities for children.
- **Living History Village:** Now relocated to Hedges-Boyer Park, this exhibit spans 150 years of history, featuring interactive displays, mining sluice, reenactments, and vendors, including a new focus on World War II.

The Tiffin-Seneca Heritage Festival is organized by a dedicated team of community volunteers and operates as a 501(c)(4) non-profit organization, relying on donations from our Community Partners. Your support enables us to deliver a bigger, better festival each year.
