NOW CELEBRATING 45 YEARS OF SENECA COUNTY HERITAGE!

Dear Community Member,

The Tiffin-Seneca Heritage Festival will be celebrating our 45th year as one of Ohio's largest festivals on September 20th—22nd, 2024. Our 2023 festival was a huge success thanks to your donation, and fundraising efforts this year are still critical to being able to continue the festival for the years to come. As a past patron, we are grateful for your financial backing and look forward to your continued support.

We are working on improvements to the downtown portion of the festival, and attendees can still enjoy all their favorite foods while enjoying many different types of music featured at the East Green Amphitheatre! Even more, the Living History Village has been moved back to Hedges-Boyer Park, and has expanded the timeline out further, encouraging bigger and more interactive exhibits, vendors, and reenactors. We are happy to continue the German Heritage Block, JAM's Market, and the kids' corner for all to enjoy.

We are a 501c-4 non-profit organization that is comprised of community volunteers and supported by donations from our Community Partners. The Heritage Festival Committee is working very hard behind the scenes to bring Tiffin and Seneca County a festival that is bigger and better than ever. We are excited to offer additional opportunities for you and your organization to help support the 2024 festival!

Please see the next page to see how your business can benefit from your donation as an advertised supporter of the festival.

As we continue our quest to make our festival better than ever, we appreciate your continued support and believe your business will benefit from these advertising options! We will be in contact with you to finalize all artwork and logos for the corresponding level you choose. Donations of any size are appreciated and accepted.

Thank you for your continued support in making the 2024 Tiffin-Seneca Heritage Festival a success!
